RE: Firefighter Excellence Fund

Honorable Court,

I respectfully request the Court to consider and approve the distribution of 50,000 dollars to the Collin College Foundation. The purpose of this funding is to provide tuition assistance to paid and volunteer members of the various Fire Departments within Collin County for select courses offered by the Collin College Fire Science Program through the Fire Science Program Excellence Fund. This funding in the past was paid to the college through the Fireman's Association. Now that the county is contracting directly with the fire departments for fire protection the 50,000 is currently remaining in the annual contract for fire services budget, line item 001-5701-648.63-06.
